Indiana Shorthorn Breeders' Association

# The FOREWORD

---

We are proud to offer this pleasing lot of cattle. They were selected from the leading herds in the state and are the kind that will do good for their new owners. Most of the females will be well along in calf or have calves by side.

The bulls are by far the best we have ever offered. They are old enough for hard service and good enough to go in the best herds.

We want to call your attention to the Jones-Robbins sale April 20th and invite you to attend both these sales.

HARRY McCABE, Sale Manager.

## Terms and Guarantee

---

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Cattle also blood tested. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

All the cattle will be T. B. and blood tested for Bangs disease.

## The Consignors
